WHEREAS, on March 11, 2020, the COVID-19 outbreak was characterized as a pandemic by the World Health Organization;

WHEREAS, on March 23, 2020, in order to restrict all non-essential person-to-person contact and non-essential movement outside the home as a means of combatting the spread of COVID-19 within the Commonwealth, I issued COVID-19 Order No. 13, which designated certain COVID-19 Essential Services, as defined in the Order, temporarily closed the brick-and-mortar premises of businesses and organizations that do not provide COVID-19 Essential Services, and prohibited gatherings of more than 10 people;

WHEREAS, recent public health data indicate improvement in key areas of measurement as a result of the extraordinary efforts of health care providers in the Commonwealth and the public’s unselfish compliance with the restrictions imposed in COVID-19 Order No. 13 and other limitations imposed in response to the COVID-19 health crisis;

WHEREAS, the improving public health data permits a carefully phased relaxation of certain restrictions that COVID-19 Order No. 13 has placed on businesses and other organizations, provided that any adjustment can only be maintained or expanded on the basis of continuing improvements in the public health data, and further provided that any adjustment must reflect the reality that the Commonwealth remains in the midst of a public health emergency, as demonstrated by reporting from the Department of Public Health that as of May 17, 2020, 2,597 persons remain hospitalized in the Commonwealth as a result of COVID-19 and 702 of these patients are receiving treatment in intensive care units;

WHEREAS, sections 7, 8, and 8A of Chapter 639 of the Acts of 1950 authorize the Governor, during the effective period of a declared emergency, to exercise any and all authority over persons and property necessary or expedient for meeting a state of emergency, including but not limited to authority over assemblages in order to protect the health and safety of persons, transportation and travel by any means or mode, regulating the sale of articles of food and household articles, and policing, protection, and preservation of public and private property;
