1. How long have you been playing Field Hockey? Since the 6th grade.

2. Have you played any other sports at DS? If so, what other sports and for how long? I also am on the gymnastics team, and run on the outdoor track and field team. I was a two sport captain in gymnastics and track & field throughout my junior year. This year I am a three sport captain in field hockey, gymnastics, and track and field.

3. Do you plan to play any sports in college? If so, where? If not, what are your plans for next year? College? Major?

I don't have a plan to play sports in college, but I would love to continue athletics in some form! I plan to attend college, but I'm not sure where yet and I will be going in undecided.

4. Are you from Dover or Sherborn? What is your favorite thing about your town? Dover, and my favorite thing about living in Dover is the tight knit community where everyone is very supportive. I also like how quiet it is, without being too far from the city!

5. Interests outside of sports? Traveling, doing anything adventurous, and running.

6. Favorite food? Ice cream or sushi.

7. Favorite memory of playing FH at DS? Winning the state championship in 2019!

8. Best part of being on the DS Field Hockey team? After years of gymnastics, which is very individual, I love being a part of a team and working together to reach goals.

9. Any advice you have for your teammates in the grades below you? My advice for teammates in the grades below would be to always prepare for your sport in the off-season and especially during the season. Also to keep working hard, it will pay off in some way.

10. Favorite class at DS? My favorite class at DS was chemistry. I found it to be difficult, but very interesting!
